Lyrics  
Go!  
Of all the things they taught you  
I'm telling you this, son

All the wars fought before won't compare to this one  
Giant spiders prepare to take over  
Here comes another mutant suicide squad  
You blast them out but now you're way off course  
You start to shiver and shake  
I'm calling you, Houston  
Am I following all the right leads?  
Or am I about to get lost in space?  
When my time comes  
They'll write my destiny  
Will you take this ride?  
All communications lost  
We crashed into the earth  
Too late to see the giant spider monster giving  
The future is here, and here is the future  
Am I following all the right leads?  
Or am I about to get Lost in Space?  
When my time comes  
They'll write my destiny  
Will you take this ride?  
(Voice - Danger, Danger, Will Robinson....Warning,  
Warning)  
Will you take this ride?  
Will you take this ride?  
Will you take this ride?  
Am I following all the right leads?  
Or am I about to get Lost in Space?  
When my time comes  
They'll write my destiny  
Will you take this ride?  
Will you take this ride with me? (Take this ride,  
take this ride)  
Whoa (Take this ride, take this ride)  
Me (Take this ride, take this ride)  
Whoa
