All the wars fought before won't compare to this one
 Giant spiders prepare to take over
 Here comes another mutant suicide squad
 You blast them out but now you're way off course
 You start to shiver and shake
 I'm calling you, Houston
 Am I following all the right leads?
 Or am I about to get lost in space?
 When my time comes
 They'll write my destiny
 Will you take this ride?
 All communications lost
 We crashed into the earth
 Too late to see the giant spider monster giving

The future is here, and here is the future
 Am I following all the right leads?
 Or am I about to get Lost in Space?
 When my time comes
 They'll write my destiny
 Will you take this ride?
 (Voice - Danger, Danger, Will Robinson...Warning,

Warning)

Will you take this ride?
 Will you take this ride?
 Will you take this ride?
 Am I following all the right leads?
 Or am I about to get Lost in Space?
 When my time comes
 They'll write my destiny
 Will you take this ride?
 Will you take this ride with me? (Take this ride,
 take this ride)
 Whoa (Take this ride, take this ride)
 Me (Take this ride, take this ride)
 Whoa
