

Misfits - Magic Moment

Tom: **Db**

Intro: **Db Bb Gb Ab**

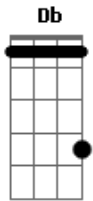

This **Db** magic moment
 So **Bb** different and so new
 Was **Gb** like any other
 Until **Ab** I kissed you
 And then **Db** it happened
 It **Bb** took me by surprise
 I **Gb** knew that you felt it too
 By **Ab** the look in your eyes
Bb

Sweeter than wine
 Softer than the **Gb** summer night
 Everything **Db** I want I have
 Whenever **Ab** I hold you tight
 This **Db** magic moment
 While you **Bb** lips are close to mine
 Will **Gb** last forever
 Forever **Ab** til the end of time

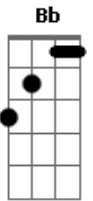

Sweeter than wine...

This magic moment...
