We land in barren fields  
On the Arizona plains  
The insemination of little girls  
In the middle of wet dreams

We are the angels' mutants  
The streets for us seduction  
Our cause unjust and ancient  
In this "B" film born invasion

Teenagers from Mars  
And we don't care  
Teenagers from Mars  
And we don't care  
Teenagers from Mars  
And we don't care

Well, we've seen your 3-D movies  
In violent abduction  
We blast your mindless structure  
Inferior connection

Db Ab

We take your weak resistance  
Throw it in your face  
We need no introduction  
For mass annihilation

Teenagers from Mars  
And we don't care  
Teenagers from Mars  
And we don't care  
Teenagers from Mars  
And we don't care

Well, we need no introduction  
No visas or carte blanche  
In human reproduction  
We're here for what we want

We want, we need it, we'll take it  
We want, we need it, we'll take it  
We want, we need it, we'll take it  
We want, we need it, we'll take it, baby
