

Misfits - This Island Earth

Tom: C
Intro: Bb F G F
Bb A F G

Bb A G F
Furious the exodus walks
Bb A C
Along the maddening march of death
Bb A G F
With the furor and the masses
Bb A C
Whose supremacies is the dominion

Bb B C
Alien bodies stiff and cold
Your inner sane turns numb
You transform into a rage
Too naive to understand

F G C F
And as they go on the sacrifice grows
F G C
We're living on ground zero, fire
This island earth
Target locked, systems checked, enter code
We're living on ground zero, fire
(Fire, this island earth)

Bb A G F
Locked up in a room

Bb A C
Human beings in a cage
Bb A G F
The sentence a scienced death
Bb A C
As they pull the triggers of ray guns

Bb B C
Evil blackened eyes of youth
Absorbing life's hidden anguish
Death thrown all about the ground
Or those who wouldn't fight

F G C F
And as they go on the sacrifice grows
F G C
We're living on ground zero, fire
This island earth

Target locked, systems checked, enter code
We're living on ground zero, fire
(Fire, this island earth)

C F G C
We're living on this island earth (this island earth)
We're living on this island earth (this island earth)
We're living on this island earth (this island earth)
We're living on this island earth
