

Misfits - Where Eagles Dare

Tom: **C**
Intro: /Verse

Chorus

C **F** **G** **C**

We walk the streets at night
We go where eagles dare
They pick up every movement
They pick up every loser
With jaded eyes and features
You think they really care

I ain't no god son of a bitch
You better think about it baby
I ain't no god son of a bitch
You better think about it baby, babe

An omelet of disease awaits your noontime meal
Her mouth of germicide seducing all your glands

I ain't no god son of a bitch
You better think about it baby
I ain't no god son of a bitch
You better think about it baby, babe

Let's test your threshold of pain
Let's see how long you last
That's happened in your rape
On bosoms of your past
With jaded eyes and features
You think they really care

Let's go where eagles dare
We'll go where eagles dare

I ain't no god son of a bitch
You better think about it baby
I ain't no god son of a bitch
You better think about it baby
I ain't no god son of a bitch
You better think about it baby
I ain't no god son of a bitch
You better think about it baby, hey
