            Ab
Fm
I'll give you all the love I've got cause you're here tonight,
Ab                                                    Fm
I'll give you all the love I've got and baby it's alright
Db                      Eb
We're sailing into the harbour
Db                      Eb
Moonlight shining bright over the water
Db                      Eb
Been at sea for so long, drifting in a haze
Db                      Eb
Been at sea for so long, now I want to stay

Ab                                                        Fm
I'll give you all the love I've got cause you're here tonight
