

Miss Li - Forever Drunk

Tom: F

Intro: A Dm A Dm

I am stumblin' out of bed

With an aching head

Hip hurray's and yesterdays

Seem so far away

I've been wasting my time

Trying hard to ease the troubles of mine

I've been wasting my time

All those lonely nights

Sun goes up and sun goes down

I can't feel the beat

and I can't hear the sound

Round and around all this killing time

But no, no I just can't stay forever drunk

(A Dm)

Mirror mirror on the wall

Where did the good times go

Mirror mirror I don't know

What I'm living for

So many nights

Stumblin' home like a lost little child

So many days

Curtains keeping the light away

Sun goes up and sun goes down

I can't feel the beat

and I can't hear the sound

Round and around all this killing time

But no, no I just can't stay forever drunk

Interlúdio/solo: Gm Dm Gm A

When I was seventeen

My heart was pure

and my heart was all clean

But at twenty-three

I knew nothing's what it seems,

life ain't a dream

Sun goes up and the sun goes down

I can't feel the beat

and I can't hear the sound

Round and around all this killing time

But I, no I just can't stay forever

stay forever

stay forever

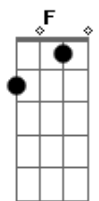

forever drunk
