

MISSMANAGED - Dumb And Blind

tom:
G

[Primeira Parte]

[Riff]

Packets of sugar in my veins

Shoved down my throat, it's sickening

The sweetness makes me fucking ache

Losing myself just to feel sane

[Refrão]

C Bb G
Leave me dumb and blind

C Bb D
No tears left to cry

Running up, still one step behind

[Segunda Parte]

[Riff]

Handfuls of salt under my palms

Hold them whenever something's wrong

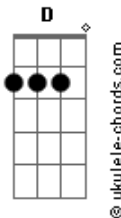

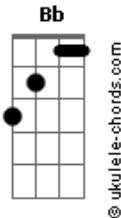

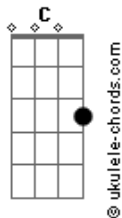

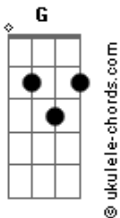

Funny how everyone just moves on

Is this just another stupid song?

[Refrão]

C Bb G
Leave me dumb and blind

Acordes

C Bb D
No tears left to cry

Running up, still one step behind

[Ponte]

All I feel is fucking crazy

It's too normal for me lately

Give me my right to be angry

Making everybody hate me

All I feel is fucking crazy

Make it stop, someone sedate me

Where is my right to be angry?

Wanna watch it fucking break me?

[Refrão]

C Bb G
Leave me dumb and blind

C Bb D
No tears left to cry

Running up, still one step behind

Hey!
