

Misty Miller - Vampire

tom:

Intro: C Dm Gm Fm F C

Tell me about your thousands of lives

I want to learn about your other side

Cause I-I-I can't get you off of my mind

And touch me with your freezing fingertips

Yeah kiss me with your blood red lips

O-o-only gaze into your ever changing eyes

Yeah, this is my love song... for a vampire

There's no need to talk

Don't say a word

It's all too much

And it'd be absurd

All I-I-I ask is you stay the night

Protect me and make me feel safe

Yeah keep all the others away

And ho-ho-hold me very tight

Yeah, this is my love song... for a vampire

(C Dm F Em C)

Yeah, this is my love song

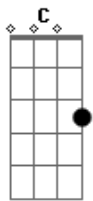

Yeah, this is my love song

Yeah, this is my love song

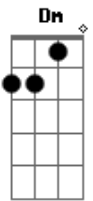

For a vampire

(C Gm Dm F C)
