

Joni Mitchell - Both Sides Now

Tom: **Gb**

(com acordes na forma de **E**)

Capotraste na 2ª casa

This is exactly how she plays it on album. Not the live version. Obviously, no sort of is present because this is a tab. Use your ears; it's not difficult. The song is **Gb** and I this by ear. I have perfect pitch, so you should trust me :P Gorgeous poetry. Have fun with it. questions, comments, whatever:

Capo 2nd

(FILL2)

(Intro)

(Verse)

Rows and flows of angel hair,
And ice cream castles in the air,
And feather canyons everywhere-
I've looked at clouds that way.

(Verse)

But now they only block the sun-
They rain and snow on everyone!
So many things I would have done,
But clouds got in my way.

(Chorus)

I've looked at clouds from both sides now,

From up and down, and still, somehow,
It's clouds' illusions I recall;
I really don't know clouds at all.

(fill2)

(Verse)

Moons and junes and ferris wheels,
The dizzy dancing way you feel
As every fairy tale comes real-
I've looked at love that way.

(Verse)

But now it's just another show-
You leave 'em laughing when you go,
And if you care, don't let them know;
Don't give yourself away.

(Chorus)

I've looked at love from both sides now,
From give and take, and still, somehow,
It's love's illusions I recall;
I really don't know love at all.

(fill2)

(Verse)

Tears and fears and feeling proud,
To say, "I love you," right out loud,
Dreams and schemes and circus crowds-
I've looked at life that way.

(Verse)

But now old friends are acting strange.
They shake their heads, they say, "I've changed."
Well, something's lost, but something's gained
In living every day.

(Chorusx2)

I've looked at life from both sides now,
From win and lose, and still, somehow,
It's life's illusions I recall;
I really don't know life at all.
I've looked at life from both sides now,
From up and down, and still, somehow,
It's life's illusions I recall;
I really don't know life at all.
