Intro: C Fm G C
Fm Db Cm

[Primeira Parte]

I think my brain is rotting in places
I think my heart is ready to die
I think my body is pulling in pieces
I think my blood is passing me by

[Refrão]

Honey what you take, what you take?

Honey look at me

Tell me what you took, what you take
Honey what you take, what you take?

Honey look at me

Tell me what you took, what you take

(Fm Ab Cm)
(Fm Db C)

[Segunda Parte]

I think my fate is losing its patience

I think the ground is pulling me down
I think my life is losing momentum
I think my ways are wearing me down

But if I gave up on being pretty

I wouldn't know how to be alive
I should move to a brand new city
Teach myself how to die

[Refrão Final]

Honey what you take, what you take?

Honey look at me

Tell me what you took, what you take
Honey what you take, what you take?

Honey look at me

Tell me what you took, what you take

Honey what you take, what you take?

Honey look at me

Tell me what you took, what you take
Honey what you take, what you take?
Honey look at me
Tell me what you took, what you take
