

Mitski - First Love / Late Spring

tom:

Intro: C

The black hole

Of the

Window

Where you sleep

The night breeze

Carries

Something sweet

A peach tree

Wild women don't get the blues

But I find that

Lately I've been crying like a

Tall child

[Refrão]

So please hurry leave me

I can't breathe

Please don't say you love me

????????? ["mune ga hachi kire sou de"]

One word from you

And I would jump off

Of this ledge I'm on baby

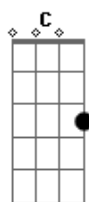

Tell me "don't,"

So I can crawl back in

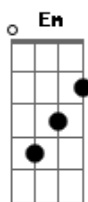

(C Am E F C)

And I was so young

When I behaved twenty five

Yet now I find I've grown into

A tall child

And I don't wanna go home yet

Let me walk to the top of the big night sky

[Refrão]

So please hurry leave me

I can't breathe

Please don't say you love me
