

Mitski - Happy

tom:
B
 [Primeira Parte]

B
 Happy came to visit me

He bought cookies on the way
E
 I poured him tea and he told me it'll all be okay
B
 Well I told him I'd do anything to have him stay with me
E
 So he laid me down, and I felt happy
B
 Come inside of me
E **B**
 He laid me down, and I felt happy

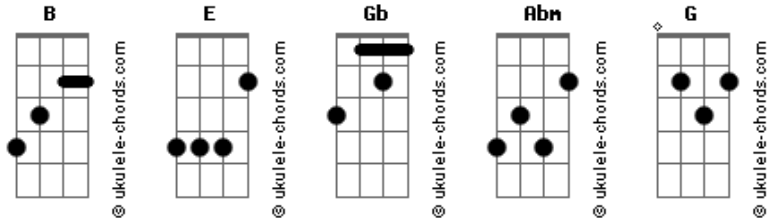

[Refrão]

B **E**
 Oh if you're going, take the train
Gb **Abm**
 So I can hear it rumble, one last rumble
B **E**
 And when you go, take this heart
Gb **G**
 I'll make no more use of it when there's no more you

[Segunda Parte]

B
 I was in the bathroom

Acordes

I didn't hear him leave
E
 I locked the door behind him

And I turned around to see
B
 All the cookie wrappers

And the empty cups of tea
E
 Well I sighed and mumbled to myself
B
 Again, I have to clean
E
 I sighed and mumbled to myself

[Refrão]

B **E**
 If you're going, take the train
Gb **Abm**
 So I can hear it rumble, one last rumble
B **E**
 And when you go, take this heart
Gb **G**
 I'll make no more use of it when there's no more you
B **E**
 And if you're going, take the moon
Gb **Abm**
 Then maybe I will see you, in the night I'll see you
B **E**
 And when you go, take this heart
Gb **G**
 I'll make no more use of it when there's no more you
