[Bridge]

Would you let me, baby

[Chorus]

Lose on losing dogs?
I know they're losing and I pay for my place
By the ring

Where I'll be looking in their eyes when they're down

I wanna feel it
I bet on losing dogs
I always want you when I'm finally fine

How you'd be over me looking in my eyes when I cum
Someone to watch me die
Someone to watch me die
I bet on losing dogs

[Final]
