                                                           F Gb
Except for when I'm missing you
                                                           I was meant for you, baby
Gb Ab
To remember your mouth, how it
                                                           Being with you
