Being with you
Makes the flame burn good

Be mean to me

If your hands need to break
More than trinkets in your room
You can lean on my arm
As you break my heart

Now the rest of my days are just
Waiting for when
You come down and tell me
I was meant for you, baby
Being with you

So if you need to be mean
Be mean to me
I can take it and put it inside of me
If your hands need to break
More than trinkets in your room
You can lean on my arm
As you break my heart

F G
Just don't leave me alone
Wondering where you are
I am stronger than you give me credit
For
If your hands need to break
More than trinkets in your room
You can lean on my arm
As you break my heart
