

Mitski - I Don't Smoke

tom:

Db (forma dos acordes no tom de C)

Capostrate na 1ª casa

[Primeira Parte]

I don't smoke
 Except for when I'm missing you
 To remember your mouth, how it tasted
 True
 And I don't smoke
 Except for after I've held you, baby
 Being with you
 Makes the flame burn good

(F G C F)

[Refrão]

So if you need to be mean
 Be mean to me
 I can take it and put it inside of me
 If your hands need to break
 More than trinkets in your room
 You can lean on my arm
 As you break my heart

[Segunda Parte]

I'm what's left of when we

Swam under the moon
 Now the rest of my days are just
 Waiting for when
 You come down and tell me
 I was meant for you, baby
 Being with you
 Makes the flame burn good

[Refrão]

So if you need to be mean
 Be mean to me
 I can take it and put it inside of me
 If your hands need to break
 More than trinkets in your room
 You can lean on my arm
 As you break my heart

 Just don't leave me alone
 Wondering where you are
 I am stronger than you give me credit
 For
 If your hands need to break
 More than trinkets in your room
 You can lean on my arm
 As you break my heart
