

Mitski - I'll Change For You

tom:

E

Intro: E7M

[Primeira Parte]

How do I let our love die
 When you're the only other keeper
 Of my most precious memories?
 Yeah, I've been drinking
 Why's that gotta mean
 I can't call you 'bout you and me?

[Refrão]

'Cause I'll do anything
 For you to love me again
 If you don't like me now
 I will change for you

[Segunda Parte]

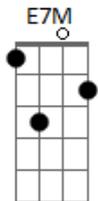

Bars, such magic places
 You can be with other people
 Without having anyone at all, but now
 They say they're closing
 So I'm loitering outside
 Watching all the cars passing by
 Like a kid waiting for my ride

[Refrão]

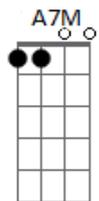

I'll do anything
 For you to love me again
 If you don't like me now
 I will change for you
 I'll change for you
