

Mitski - Nobody

```
I've been big and small and
                                tom:
                                                                                F
                                                                        Big and small and
                                G7
                                                                                 Em7
My God, I'm so lonely
                                                                        Big and small again
    Dm Em7
                                                                             Dm C7M
                                                                        And still nobody wants me
So I open the window
                                                                                    Em7
          Dm7
                  C7M
                                                                            Dm
To hear sounds of people
                                                                        Still nobody wants me
       Dm7 Em7
To hear sounds of people
                                                                                Am
        G7
                                                                        And I know no one will save me
                                                                                F7M C
Venus, planet of love
                                                                        I'm just asking for a kiss
        F7M
                                                                               Dm7 Em
                                                                        Give me one good movie kiss
Was destroyed by global warming
                                                                                   F7M C C7M Db
      Dm7
                            Cadd9
Did its people want too much too?
                                                                        And I'll be alright
       Dm7
Did its people want too much?
                                                                        Nobody, nobody, nobody
                                                                                 F7M
                                                                        Nobody, nobody
And I don't want your pity
F7M C
                                                                            Dadd9 Em
I just want somebody near me
                                                                        Ooh, nobody, nobody
                                                                        C7M
           Am
Guess I'm a coward
                                                                        Nobody, nobody, nobody
       G
                           F7M Dm
I just want to feel alright
                                                                        Nobody, nobody, nobody
