[Primeira Parte]

Dm7 G
Your room was square
Dm7 G
I once noticed from there
Dm7 G
In your bed, as you slept
Dm7 G
And I held my breath
Dm7 G Dm7
Everything had its own place
G Dm7 Am7
And I wondered what space would I take
D C
In the order you kept
(Dm7 G Dm7 G)

[Segunda Parte]

Dm7 G Dm7
I tried to eat like your girlfriend
G Dm7 Am7
Just tea in the night, I'd end up
Ab G
Too hungry to sleep
Dm7 Dm7 Dm7
So lying awake, I would follow the aching inside
Am7
I would find
D C
It's for you won't be mine

[Refrão]

C Dm F Am
I tried my hardest, for I'd never learned
Am F Dm C
God's very simple and love shouldn't burn
C Dm F E

And I would've offered you all that you yearned for
Am F Dm C
But I was still waiting for something to earn

[Segunda Parte]

C Dm Em F
What is that quiet of snow in the night?
G Am G
The dark rings with white noise
F G
As you stand and drown
C Dm Em F
Maybe it's all of these snowflakes, screaming
G Am
A choir of mute
D C
As they brace for the ground

C Am
Well that's my ride
C Am
Hope you had a good night
G F
You know, you made me happy
C Am
Here shake my hand
C Am
You make such a good man
G F
Never once did you know me

[Refrão]

C Dm F Am
I tried my hardest, for how do you learn for
Am F Dm C
God's very simple and love doesn't burn
C Dm F E
And maybe you offered me all that I yearned for
Am F Dm C
But I was still waiting for something to earn

[Final]

Silly me, waiting
