tom:  
Intro: Dm G Dm G  
Dm G Dm G

[Primeira Parte]

Dm G  
Your room was square  
Dm G  
I once noticed from there  
Dm G  
In your bed, as you slept  
Dm G  
And I held my breath  
Dm G Dm  
Everything had its own place  
G Dm Am  
And I wondered what space would I take  
D C  
In the order you kept  
( Dm G Dm G )

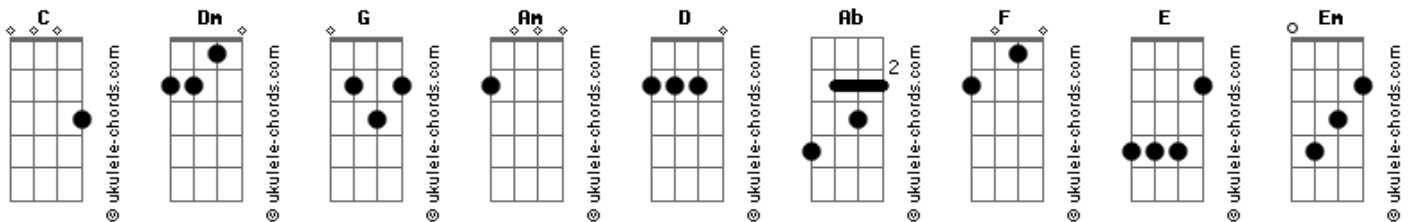

[Segunda Parte]

Dm G Dm  
I tried to eat like your girlfriend  
G Dm Am  
Just tea in the night, I'd end up  
Ab G  
Too hungry to sleep  
Dm Dm Dm  
So lying awake, I would follow the aching inside  
Am  
I would find  
D C  
It's for you won't be mine

[Refrão]

C Dm F Am  
I tried my hardest, for I'd never learned  
Am F Dm C  
God's very simple and love shouldn't burn  
C Dm F E

## Acordes

And I would've offered you all that you yearned for  
Am F Dm C  
But I was still waiting for something to earn

[Segunda Parte]

C Dm Em F  
What is that quiet of snow in the night?  
G Am G  
The dark rings with white noise  
F G  
As you stand and drown  
C Dm Em F  
Maybe it's all of these snowflakes, screaming  
G Am  
A choir of mute  
D C  
As they brace for the ground

C Am  
Well that's my ride  
C C Am  
Hope you had a good night  
G F  
You know, you made me happy  
C Am  
Here shake my hand  
C Am  
You make such a good man  
G F  
Never once did you know me

C Dm F Am  
I tried my hardest, for how do you learn for  
Am F Dm C  
God's very simple and love doesn't burn  
C Dm F E

Am F Dm C  
But I was still waiting for something to earn

Silly me, waiting
