Intro: Bb4 Abm B Gb

[Primeira Parte]

Bb4 Abm B Gb  
There's a deal you can make on a midnight walk alone

Bb4 Abm Gb  
Look around, listen close, hear it fall from above

Bb4 Abm B Gb  
It will ask what you'd give and what you'd take for it in return

Bb4 Abm Gb B  
I once went on such a walk and I found that I'd said

[Refrão]

B Gb B Abm  
I want someone to take this soul

B Abm B Abm  
I can't bear to keep it, I'd give it just to give

B Eb E Dbm B  
And all I will take are the consequences

B Gb B  
Will somebody take this soul?

( Bb4 Abm Gb B )

[Segunda Parte]

Bb4 Abm B  
Then, of course, nothing replied

Nothing speaks to you in the night

Bb4 Abm Gb  
And I walked my way home, there was no one in sight

Bb4 Abm B Gb  
Save a bird perched upon a streetlight, watching me

Bb4 Abm Gb B  
So, I stopped and let it watch till I found that it said

[Ponte]

B Gb B Abm  
Now I'm taken, the night has me

B Gb B Abm  
You won't hear me singing, you're a cage without me

B Eb E Dbm  
Your pain is eased, but you'll never be free

B Gb B  
For now, I'm taken, the night has me

[Final]

( Bb4 Abm Gb B )

Bb4 Abm B Gb  
There's a deal that I made

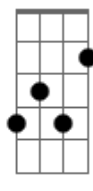

Bb4 Abm B Gb
