

MKTO - God Only Knows

tom:
Capostrate na 4ª casa

I've always said that I could never fall
Because I love them all
My heart don't race when they try to call
Because I love them all

But she got me stuttering
Like w-w-what can I do because I can't control it
She got me hovering

Above the ground and I don't know what to do

God only knows
How much I need you
I could explode
If I can't breathe you
I'm on the ropes
5 4 3 2

Cause you're the 1 I guess I'm done that's how it goes
Where would I be without you yeah God only knows

There ain't a crime I wouldn't do for you
Let's make our get away mmm
These diamonds shine but not as bright as you
I'll throw them all away

I'm here surrendering
And I give up, throwing my hands around you
And I can't remember when

I felt like the way I felt for you

God only knows
How much I need you
I could explode
If I can't breathe you
I'm on the ropes
5 4 3 2

Cause you're the 1 I guess I'm done that's how it goes
Where would I be without you yeah God only knows
Where would I be without you yeah God only knows

You touch me
With your body
All that I can think is how to lose your clothes
What's next

God only knows
God only knows
God only knows

God only knows
How much I need you
I could explode
If I can't breathe you
I'm on the ropes
5 4 3 2

Cause you're the 1 I guess I'm done that's how it goes
Where would I be without you yeah God only knows
Where would I be without you yeah God only knows
