

# Mãneskin - Gasoline

tom:

Intro: C

C You're nothing but gasoline  
C Starting fires since seventeen  
C Silver spoon in daddy's jeans  
C You go four, three, two, one  
Count it, count it down  
C Mister in a stolen dress  
C You're so dark but you're painted red  
C Soaking wet in your golden bed  
C You go four, three, two

One, counting, counting down

( C )

C How are you sleeping at night?  
C How do you close both your eyes?  
C Living with all of those lives  
C On your hands?  
C Standing alone on that hill  
C Using your fuel to kill  
C We won't take it standing still  
C Watch us dance  
C How are you sleeping at night?  
Ab How do you close both your eyes?  
F Living with all of those lives  
F On your hands?  
C Standing alone on that hill  
Ab Using your fuel to kill  
F We won't take it standing still  
F Watch us dance

C W?'re gonna dance on gasoline  
C

## Acordes

W?'re gonna dance on gasoline

C We're gonna dance on gasoline

C Your ego is dangerous  
C Your own blood is losing trust  
C Neighbors left in the dust  
C You go four, three, two

One, count it, count it down

C Sitting in a stolen throne  
C Playing god with a heart of stone  
C The whole world is waiting for you to go  
C Down, down, down, counting, counting down

C How are you sleeping at night?  
C How do you close both your eyes?  
C Living with all of those lives  
C On your hands?  
C Standing alone on that hill  
C Using your fuel to kill  
C We won't take it standing still
