

# Mø - Fire Rides

Tom: G

Bm  
Pure, sweet, violent hearts  
Believes the signs we see in the cards  
Believes the signs we read in our dreams  
G Em D  
But we seem to follow the stream  
Bm  
What's it gonna be with the violence?  
D Bm  
What's it gonna be with the fire rides?  
D Bm G  
And what's it gonna be like when the sound of you and I die  
Em  
Out?

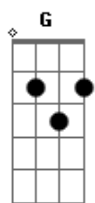

Gbm D  
What am I to do in my room?  
Bm Em Bm  
Oh, look at the walls turning yellow  
Bm D Bm G  
What am I to do in the city if I can't have it all, and I  
Em Bm  
Just wanna feel pity?

Bm D  
For my own doomed soul  
Bm G  
Doomed as the source  
Bm  
Where can I find peace in the city as I found in the  
D  
Eyes of yours?  
Bm G Bm  
As I found in the eyes of yours

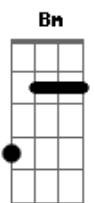

G B  
In too deep  
Gbm  
Give up and run  
G  
No fire rides  
B Gbm  
Oh, bitch, you've got it wrong  
G B  
In too deep  
Gbm G Bm  
I have become my darkest dream, which I'm running from  
( Gbm Bm Gbm )

Gbm D  
What am I to do with the thunder?  
Bm Gbm Bm  
Don't know who to cast it upon  
D  
I just wanna walk to the mountains  
Bm G Bm  
Walk to the mountains all alone  
Bm D  
For my own doomed soul  
Bm G  
Doomed as the source  
Bm  
Where can I find peace in the city as I found in the  
D  
Eyes of yours?  
Bm G Bm  
As I found in the eyes of yours  
G B  
In too deep  
Gbm  
Give up and run  
G  
No fire rides  
B Gbm  
Oh, bitch, you've got it wrong  
G B  
In too deep  
Gbm G Bm  
I have become my darkest dream, which I'm running from  
( Gbm Bm Gbm G )  
G Bm Gbm  
Oh, nothing  
G Bm Gbm  
Oh, nothing ('Cause we seem to follow the stream)  
G Bm Gbm  
Oh, nothing  
G Bm  
Oh, nothing  
Bm  
What's it gonna be with the violence?  
D Bm  
What's it gonna be with the fire rides?  
D Bm G  
And what's it gonna be like when the sound of you and I die  
Em  
Out?
