

Mø - The Sea

Tom: C

C G Am
Sweet friend of mine
C G Am
Where can we find the dancing sun?
C G Am
Oh, last night was fun
C
Like the rest going by
G Am
My youth and I

C G
Still don't know what you're waiting for
Am C
But you don't wanna be left alone
G Am
in lonely days
C G
Escape the world we're waiting for
Am
Got a good game
C G Am
Going back from the rising water (oh...)
(Come along, come along, come along)

C
So come along with me
G Am
'Til we break and flee
C G Am
Cause a heart can't stop following dreams
C G Am
We'll rise in waves and waters
C G Am
In the sea, you will carry me

C
So come along with me
G Am
'Til we break and flee
C G Am
In stormy nights, we can be free
C G Am
I'll dive into the sky
C G Am
In the sea, you will wait for me

C G Am
Sweet friend of mine
C G Am
My blood's on fire, so hold me tight
C G Am C
The dust closing in is leaving us blind
G Am
My love and I

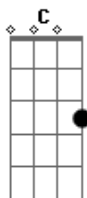

C G
Still don't know what you're waiting for
Am C
But you don't wanna be left alone
G Am
in lonely days
C G
Escape the world we're waiting for
Am C G Am
Got a good game, going back from the rising water (oh...)

So come along with me

Oh, can you carry me home?
