

Mø - When I Was Young

Tom: Eb

When the sky was gold
 And I needed no protection
 But as the wind would blow
 A thousand miles in no direction
 Man, it was a beautiful sight
 Days were soaked in sunlight
 Just so long ago
 But lately I like to imagine

Gm
 When I was young
 Gm Fm
 Whatever happened it would do me no wrong
 Gm Fm
 As long as I could sing my favorite song
 Gm
 When I was young, oh
 Gm Fm
 And the holidays went on and on
 Gm
 We were so high
 Gm Fm
 Let the freeway take us into the night
 Gm Fm
 And in the dark you sang my favorite song
 Gm Fm
 When I was young, oh
 Gm Fm
 And the holidays went on and on
 N.C.
 And on, and on, and on
 N.C.
 When I was young
 N.C.
 (Woo!)

 Now the sky is gray

 But honestly, it doesn't hurt me (No)
 Bb
 I learned to find my way

 On the path and no returnin?, oh, oh
 Bb
 Everything I've left behind

 I'm reminded every time I meet your eyes

 We were so bold and brave
