

Mobblele - Beautiful Brain

Tom: C

I think you're beautiful
 I think you've got a beautiful brain
 I think you're beautiful
 I check up on it every day
 I'm too shy to talk to you
 conversation is a simple, "hello" to you
 just to like you from afar
 glancing chances of a timid star
 I think you're beautiful

I think you've got a beautiful brain
 I think you're beautiful
 I check up on it every day
 And while we sit four feet across
 separated by a wall that is both, white and moss
 I feel distant from you
 I feel closer to you
 I feel distant from (to) you
 I feel closer to (from) you
 I think you're beautiful
