Intro: **Bm** **G** **A** **Bm**

**A** **Bm** **G**

Well it would've been could've been worse than you would ever know

**Bm** **G** **A**

Oh the dashboard melted but we still have the radio

**A** **Bm** **G**

Oh it should've been could've been worse than you would ever know

**Bm** **G**

Well you told me about nowhere, well it sounds like someplace I'd like to go

**A** **Bm** **G**

Oh it could've been should've been worse than you would ever know

**Bm** **G**

Well the windshield was broken but I love the fresh air ya know

**A** **Bm** **G**

Oh it would've been could've been worse than you would ever know

**Bm** **G**

Oh we talked about nothing which was more than I wanted you to know

**A**

oh-oh-oh-oh, now here we go!

( **B** **Gb** **E** )

( **Bm** **D** **A** )

**Bm** **G** **A**

Oh it would've been could've been worse than it had even gone

**Bm** **G** **A**

Well the car was on blocks, but I was already where I want

**Bm** **G** **A**

Why should we ever even ever really even get to know?

**Bm** **G**

Oh if the world don't like us it'll shake us just like we were a

**A**

co-o-o-old, now here we go!

( **B** **Gb** **E** )

**Bm** **D**

Well we scheme and we scheme but we always blow it

We've yet to crash but we still might as well tow it

**Bm** **D**

Standing at a light switch to each east and west horizon

**A**

Every dawn you're surprising and the evening was consoling

**Bm** **G** **A**

saying, "See, it wasn't quite as bad as"

**Bm** **G**

Well it would've been could've been worse than you would ever know

**Bm** **G** **A**

I was patiently erasing and recording the wrong episodes

**Bm**

After you had proved my point wrong it wasn't like I'd let it go,

**G** **A**

oh-oh-oh, oh-oh-oh

**Bm** **G** **A**

I just wanted to catch the last laugh of this show

( **B** **Gb** **E** )

( **Bm** **G** **A** )

**Bm** **G**

**A**

Yeah it would've been could've been worse than you would ever know

**Bm** **G** **A**

Oh the dashboard melted, but we still have the radio

**Bm** **G**

Hardwired to conceive so much we'd have to stow it

**A**

even needs have needs, tiny giants made of tinier giants

**Bm** **G** **A**

Don't wear eyelids so I don't miss the last laugh of this sho-o-oh

**Bm** **G**

**A**

Oh we could've been should've been worse than you would ever know

**Bm** **G**

Well you told me about nowhere well it sounds like someplace I'd like to go-oh-oh-oh-oh

**A**

Now here we go!

**Bm** **D**

Well we scheme and we scheme but we always blow it

We've yet to crash but we still might as well tow it

**Bm** **D**

Standing at a light switch to each east and west horizon

**A**

Every dawn you're surprising and the evening was consoling

**Bm** **G** **A**

saying, "See, it wasn't quite as bad as"

**Bm** **G**

Oh, it would've been could've been worse than you would ever know
