

Mogli (Germany) - Road Holes

tom:
Intro: C Em C Em

C
You cover the road holes before I stumble
G
Lead me through those fields of traps
C
The road ahead it starts to crumble
G
You build bridges over gaps

[Refrão]

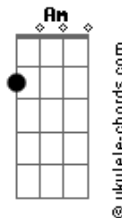

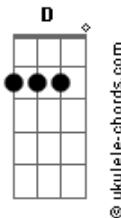

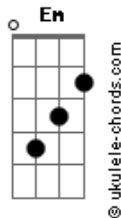

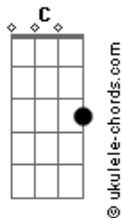

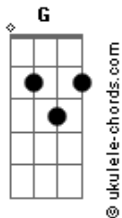

C
But when I fall I'm gonna hit the ground
G
Have to get up on my own
C
'Cause you run to hold my hand
D
And get on the wrong side of me instead

[Solo] C Em C Em

C
You let it rain before I start a fire
G
Always the right tools in your hand
C
It's your words of love I desire
G
Sadness you don't understand
