

# Molejo - O Amor Libera

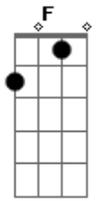

Tom: F  
Intro: Cm F7 Bb C Cm F7 Cm F7 Bb C F (C7)

Quem está seguro não se desespera  
Meu bem eu acredito nesse amor  
Apesar de tudo que o amor libera  
A gente vai vivendo dissabor

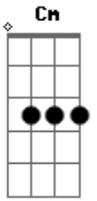

Só pode ser intriga

Vê se se desliga de alguém que te paquera  
Que quer ouvir dizer que o nosso amor já era  
Não marque bobeira  
Não caia na besteira, no papo da galera  
Se você quer saber, o meu é que é à vera  
Pra mim só existe o teu amor  
É bom demais, é sim, ninguém supera
