[Primeira Parte]

Taquetin taqueton el equipo campion
Las porristas traen rosita pom pon
Lleno total de la banda que rifa
Es más, hasta esta el jefe de la fifa

Aqui en coloso la cancha y a lo ancho
The feeling in the air it's like san pancho
Y de un vestido da un extraño olor a caca
Sale adelante la mascota es una vaca

Tocando el pito arranca el partido
El nunca comprado, el siempre a mentido
Not to make a goal in your hole
I just want to meter mi goool

[Segunda Parte]

No la hagan de dos en el azteca
Meter un gran gol que sea de chonteca
Me tiene cansado, arbitro vendido
Tocando alvedreses todo el partido

De uno en uno, de dos en dos
Metidos al centro, peleando el balon
Que es lo que marcaste, arbitro marica
