

Mombaça - Entre Nós

Tom: E
Intro: B

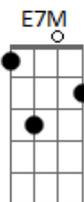

O amor se recusou a abrir a janela do carro pra dor
 No semáforo, no farol
 É sina de que o ódio mudou de endereço
 De que a multa não vai chegar
 Não houve avanço nos sinais sociais
 Teus melhores dias são hoje
 Dias melhores virão

O próprio Abdias do Nascimento falou
 De um conceito de paz e liberdade
 Consciência e fraternidade entre nós
 Que a gente há dias adia
 Há dias adia
 Há dias adia
 Abdias
 o amor se recusou a abrir a janela do carro pra dor
