

The Monkees - Daydream Believer

Tom: G

Oh, I could hide neath the wings
Of the bluebird as she sings
The six-o'clock alarm would never end
But it rings and I rise
Wipe the sleep out of my eyes
My shaving razor's cold, and it stings.
Cheer up sleepy Jean
Oh, what can it mean
To a daydream believer
And a homecoming queen

You once thought of me
As a white night on his steed
Now you know how happy I can be
And our good time starts and ends
Without dollar one to spend
But how much baby do we really need
