

The Monkees - Pleasant Valley Sunday Intro

Tom: G

this is the correct intro to this song; yet another slice of genius from a band who didn't play their own instruments.....it's definitely a tricky little f---er; listening to song is penultimate to nailing this riff.

(4/4 time)

(with intro riff in background for last 2 of those 4 measures)

then G for 2 measures

with love and good luck,
great scott

Amaj for 4 measures

Acordes
