**Bb** **C** **D**  
I've been waiting for the right time  
**Bb** **C** **D**  
To let u know that I've been looking for u all of my life  
**Bb** **C** **D**  
Feels like walking on a lans\_\_lide  
**Bb** **C** **D**  
Let me take u, take u down, eh

[Refrão]

**Bb** **C** **D**  
Uh, uh baby I need u here in my life  
**Bb** **C** **D**  
Uh baby I can't let u out of my sight  
**Bb** **C** **D**  
Uh, baby I don't care if u aren't my type  
**Bb** **C** **D**  
Don't even I know u but I can't get u out of my mind

**Bb** **C** **D**  
(I can't get u, I can't get u, get u outta my mind)

But I can't get u outta my mind

**Bb** **C** **D**  
Girl, u know u got it ea\_\_sy  
**Bb** **C** **D**  
U got me tossin' and turning thinking of what we could be  
**Bb** **C**  
I've been searching for word  
**D**  
But how to say  
**Bb**  
Everything I need to  
**C** **D**  
Everything I need to

**Bb** **C** **D**  
I been tryna get u out of my sight, and outta my mind  
**Bb** **C** **D**  
U been hooked to me for 40 days and 40 nights  
**Bb** **C** **D**  
I know better than to get u get u all night  
**Bb** **C** **D**  
I can't help it, I can't help it, no
