

# Monty Python - Always Look On The Bright Side Of Life

Tom: G

Some things in life are bad they can really make you mad  
Other things just make you swear and curse  
When you're chewing on life's gristle  
Don't grumble give a whistle  
And this'll help things turn out for the best

And always look on the bright side of life  
Always look on the light side of life

If life seems jolly rotten there's something you've forgotten  
and that's to laugh and smile and dance and sing.  
When you're feeling in the dumps don't be silly chumps  
Just purse your lips and whistle - that's the thing  
And always look on the bright side of life  
Always look on the bright side of life

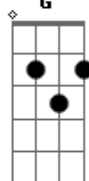

For life is quite absurd and death's the final word

you must always face the curtain with a bow  
Forget about your sin - give the audience a grin  
Enjoy it - it's your last chance anyhow.  
So always look on the bright side of death  
just before you draw your terminal breath

Life's a pice if shit when you look at it  
Life's a laugh and death's a joke it's true  
You'll see it's all a show  
keep'em laughing as you go  
just remember that the last laugh is on you

And always look on the bright side of life  
Always look on the right side of life  
(Come on guys, cheer up)  
Always look on the right side of life  
Always look on the right side of life
