Intro: Em C
Em C

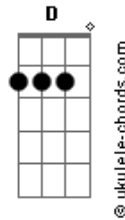

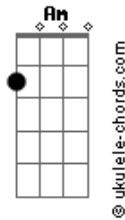

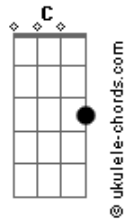

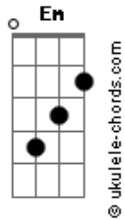

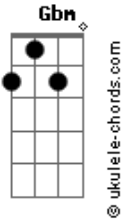

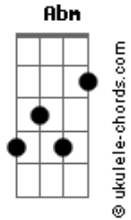

I've been ^{Em}sleepwalkin' through my own life
And I'm ^Csick of watchin' it pass me by
I've got ^{Em}loose ends and wasted time
Too scared to face the world outside

I could ^{Em}start again
Try to see the world through new eyes
Take it in
Float away into the blue sky

Fake a ^{Am}smile, take a ^{B7}pill
Hide your ^{Em}pain, it doesn't change how it feels
Say good ^Cnight, take a ^{B7}breath
Sleepwalker and the dreams of death

Em C

Acordes

(This must be what I want)

I've been ^{Em}sleepwalkin' for my whole life
Like a ^Cpassenger in a stranger's mind
I'm just ^{Em}starin' at the world outside
Wonderin' what it must feel like out there
Take a minute
You can see the world through new eyes
Count to ten
And float away into the blue sky

Fake a ^{Am}smile, take a ^{B7}pill
Hide your ^{Em}pain, it doesn't change how it feels
Say good ^Cnight, take a ^Dbreath
Sleepwalk ^{B7}until the dream ends
Fake a ^{Am}smile (Whatever you want), take a ^{B7}pill (I hope it's what you get)
Hide your ^{Em}pain, (Whatever it is), on your own (I hope that it's enough)
Say good ^Cnight, ^{B7}sleepwalker and the dreams of death ^{Em}
