

Moons - Nobody But Me

tom:
 Capotraste na 2ª casa
 Intro: F Am7 G Am7 G

I've been chasing my own tail for a long time
 Hoping to find a clue
 Anything that could clear my mind
 Skip some steps and take me straight to you

Sometimes I'm complex, sometimes I'm deep
 Just like any other human being
 I'm a grown up man looking for shelter
 I feel shame to ask for help when I need

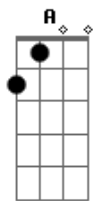

F Am7 G Am7 G

One day I met a rambling woman
 She was free as the dove and the wind
 A changing and inspiring love
 Where I don't need to be nobody but me

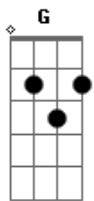

I've been chasing my own tail for a long time
 Hoping to find a clue
 Anything that could clear my mind
 Skip some steps and take me straight to you

One day I met a rambling woman
 She was free as the dove and the wind
 A changing and inspiring love
 Where I don't need to be nobody but me
