Moons - Sweet And Sour

tom:
G

A7M Abm7
When hard times are ahead of us
Gbm7 E Gbm7 Abm7
Don?t stand wondering why
A7M Abm7
Never, never let it kill you
Gbm7 E Gbm7 Abm7
Or obfuscate your light
A7M Abm7
We?ve been through so much things, my dear
Gbm7 E Gbm7 Abm7
And we always survived
A7M Abm7
We ever ever had each other
Gbm7 E Gbm7 Abm7
To hold tight

A7M
Life can be sweet and sour
Abm7
And when you lose your power
Gbm7 E Gbm7 Abm7
Remember you have me
A7M
Just try to keep your balance
Abm7
No time for being careless
Gbm7 E Gbm7 Abm7
Remember who you?ve been

A7M Abm7
Never, never let it kill you
Gbm7 E Gbm7 Abm7
Or obfuscate your light
A7M Abm7
Don?t feel ashamed dear
Gbm7 E Gbm7 Abm7
And swallow your pride

A7M
Life can be sweet and sour
Abm7
And when you lose your power
Gbm7 E Gbm7 Abm7
Remember you have me
A7M
Just try to keep your balance
Abm7
No time for being careless
Gbm7 E Gbm7 Abm7
Remember who you?ve been

B A B A
Your voice blowing in the wind is music to my ears
B A D7M
I run and dance on a wire, just like I always did
