

Moony - I Dont Know Why

```
It's always been there
                              tom:
Intro: Gb Fm7 Bbm
        Gb Fm Bbm
        Bbm Fm Bbm
                                                                    [Refrão]
Never happy, not satisfied
Always complains for nothing
Hopes and dreams are fading away
                                                                    Bbm
                                                                    I cannot
It's not hard to figure it out
         Bbm
There's no doubt, you'll find a way
                                                                    Gb
                 Fm7 Bbm
Live the moment, each and every day
[Refrão]
              Fm7 Bbm
I don't know why
I cannot see the beauty in front of me
Bbm
I cannot
Gb
              Fm7
                   Bbm
I don't know why
                     Fm7 Bbm
I cannot see the beauty in front of \ensuremath{\mathsf{me}} in front of \ensuremath{\mathsf{me}}
Now I see here
         Fm7 Bbm
