

# Moptop - Last Time

tom:  
B

Maybe it's the last time, baby, come on

Maybe it's the last time, baby, come on

Dbm B Gb  
I got this feeling that's growing down underneath  
B Gb E  
Started out a long time ago  
Dbm B Gb  
It's getting harder to just be another normal guy  
B Gb E  
So many broken dreams down below

Dbm B Gb  
I was waiting for a different kind of enemy  
B Gb E  
Oh baby, baby, baby, I really don't mean no harm  
Dbm B Gb  
But the rivers run out like floods tonight  
B Gb E  
I don't really want to be alone

B  
Maybe, it's the last time

Floating up and down like a butterfly  
E  
Tasted all at once, I could touch the sky

No one's gonna stop us, no not this time  
Abm  
Baby, show me something that makes me feel

Like the days when everything wasn't real  
E  
One last dance, baby, one more ride

Hoping there's somewhere better than this

Gb B Gb E  
You got no lives for free, baby, don't make a sound  
Gb B Gb E  
Just keep your eyes on me, baby don't bring me down

Dbm B Gb  
I got this feeling that's going down monday night  
B Gb E  
You won't hear it on the radio  
Dbm B Gb

It's getting tighter now being just a normal guy  
B Gb E  
So many dreams pushed down the road

Dbm B Gb  
I was waiting for a different kind of legacy  
B Gb E  
Oh baby, baby, baby, I didn't think it'd be this hard  
Dbm B Gb  
But the tears pouring out like floods tonight  
B Gb E  
I don't really wanna be alone

B  
Baby, it's the last time

Floating up and down like a butterfly

Tasted all at once, I could touch the sky

No one's gonna stop us, no not this time

And maybe it's the last time (maybe it's the last time, baby, come on)

Baby, just one more ride (maybe it's the last time, baby, come on)
