E7

É nesse choro, que é de quintal de terreiro.

Que desaforo, ta na pele do pandeiro.

Ta no coro que o pandeiro tem,

aro de ouro, aro de ouro, aro de ouro,

Soalhos de prata, sandalhas

de prata quem tem, diga menino,

a mina o ouro da mina

é a morena, é a morena, é a morena e a mulata também.

Na torre o sino, na torre da igreja o sinal,

na terra nu menino o tom é natural,

o tom é dó maior menino segue o tino,

o tino destino, o tino destino, o tino destino,

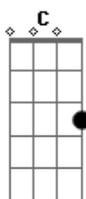

destino do som,

o choro é bom, o choro a lagrima da lagrima rima,

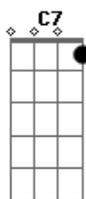

dos olhos a mina,

a mina o ouro da mina
