

Moraes Moreira - Essa Casa

tom:

E

Essa casa é tão bonita

Quando a gente que a habita

Desde a rua até a porta

E da sala de visita

Até o fundo do quintal

Todo mundo acredita

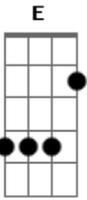

Num objetivo igual

Tudo que se reza e pede

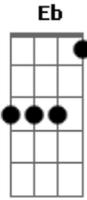

É que Deus seja seu hóspede principal

Essa casa é tão bonita

Quando a inspiração visita o coração do cantor

Tem amor e no jardim

Tem a flor, amor-perfeito

Tem um banco que foi feito

Só pra namorar

Tanta coisa, e adivinha

Por que me sinto feliz

Alguma coisa me diz

Que essa casa é a minha

Nossa casa é tão bonita
