Tom: **A**

(forma dos acordes no tom de **G**)

Capostrate na 2ª casa

Intro: **G C**

G

Meet me on the other side

It's a brand new start to a brand new life, and I'm open

G

Cause we both share the same degree

Of ecology and philosophy, I'm hopin'

G

It's a lonely world without a friend

To lead the way and to depend on

I need someone to wake me up

G

From the lazy sleep that locks me down, I need you

You lead me down to the water's edge

Let's take a rest on the riverbed

You lead me down to the water's edge

You lead me down to the water's edge

You're all that I need, you go ahead

Let's take a rest on the riverbed

G

Take your time I'm almost there

C

I brushed my teeth and combed my hair, one minute

G

There's no rush where we will go

The past has gone, the pace is slow, infinite

G

Now we need to realize

All the things I devised before now

G

So put a blindfold on my eyes

I need to feel your sweet surprise, you know how

Em

You lead me down to the water's edge

Em

Let's take a rest on the riverbed

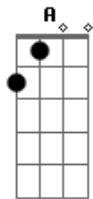

Em

You lead me down to the water's edge

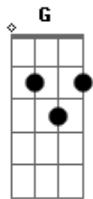

Em

You're all that I need, you go ahead
