tom:
Gbm

Venham exaltemos HaShem
Aclamemos a rocha da salvação
Venham exaltemos HaShem
Aclamemos a rocha da salvação

[Refrão]

Aproximemos da face, com salmos aclamemos
Quão grande é Adonai

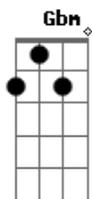

Aproximemos da face, com salmos aclamemos
Quão grande é Adonai

Em sua mão a profundidade da terra
E os cumes dos montes são dEle

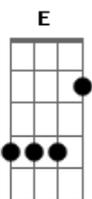

Dele é o mar e Ele o fez
A terra seca suas mãos formaram

Prostremos e nos curvamos
Diante dEle nosso Criador
