

Morgan Wallen - More Than My Hometown

tom:
G

G
Girl, our mamas are best friends and so are we
Am
The whole town's rooting for us like the home team
Em
Most likely to settle down
C
Plant a few roots real deep, and let 'em grow

G
But we can't stop this real world from spinnin' us
Am
Your bright lights called, I don't blame you for pickin' up
Em
Your big dream bags are all packed up and ready to go
C

I just need you to know

G
I love you more than a California sunset
Am
More than a beer when you ain't twenty-one yet
Em
More than a Sunday morning Lord
C
Turnin' some poor lost souls 'round, Hallelujah bound, Yeah

G
I love you more than the feeling when the bass hits a hook
Am
When the guy gets the girl at the end of the book
Em

C
But, baby, this might be the last time I get to lay you down

'Cause I can't love you more than my hometown

G
I ain't the runaway kind, I can't change that
Am
My heart's stuck in these streets like the train tracks
Em
City sky ain't the same black
C
Ain't that a map dot shame, man, to think that

G
I love you more than a California sunset
Am

Acordes

More than a beer when you ain't twenty-one yet
Em
More than a Sunday morning Lord
C
Turnin' some poor lost souls round, Hallelujah bound, Yeah

G
I love you more than the feeling when the bass hits a hook
Am
When the guy gets the girl at the end of the book
Em

C
But, baby, this might be the last time I get to lay you down

'Cause I can't love you more than my hometown

G
Yeah, you got a wild in your eyes that I just wasn't born with
Am
I'm a same gas station cup of coffee in the mornin'
Em
I need the house on the hill, girl, not in 'em
C
So hang onto these words 'til them avenues help you forget 'em

G
'Cause I love you more than a California sunset
Am
I love you more in a twenty-dollar sundress
Em
Hate that loaded down car you got your keys in
C
Girl, but I hate even more that you're leavin'

G
'Cause I love you more than the feeling when the bass hits a hook

Am
When the guy gets the girl at the end of the book
Em
But that ain't you and me so I guess I'll see you around
C

'Cause I can't love you more than my hometown

G
Love you more than my hometown
Am
Love you more than my hometown
Em
Love you more, baby, love you more
C
