Intro: Em C

[Primeira Parte]

I'm crashin', I'm burnin', I'm Whitley on the bourbon
 There's a sunrise in the curtains, I'm blacked out on purpose
 She's sleepin' like an angel, I'm hummin' "cats in the cradle"
 Need some Billy Graham on that cable
 Instead of Jim Bean sittin' on the table

[Pré-Refrão]

Ooh
 I'm a long, long way from home
 Ooh
 But I can still see it throught the smoke

[Refrão]

I wish I still sang to Jesus like the way
 We used to do at church
 And throw'em out from short, go around the horn, three up
 Three down in the first
 I been goin' too hard, I slid pretty far
 Yeah, mama and Heaven both know
 I'm a man on a run with a hand on a gun
 I'm a father and a son who needs that holy ghost

[Segunda Parte]

There's a Chevron' cross the highway with the lights on
 And I'm trippin' on the blue and red, she smoked my last cigarette
 Yeah, it's one of those nights where I'm gonna be up all night
 I'm seein' burnin'-out stars in her eyes
 It ain't why God made a sunrise

[Refrão]

I wish I still sang to Jesus like the way
 We used to do at church
 And throw'em out from short, go around the horn, three up
 Three down in the first
 I been goin' too hard, I slid pretty far
 Yeah, mama and Heaven both know
 I'm a man on a run with a hand on a gun
 I'm a father and a son who needs that holy ghost

[Ponte]

Too young to feel this old
 Too drunk to even know
 Where I'm gonna end up
 Where I'm gonna go

[Refrão]

Ooh
 I'm a long, long way from home
 Ooh
 Too early, too late to get somebody on the phone

[Refrão]

I wish I still sang to Jesus like the way
 We used to do at church
 And throw'em out from short, go around the horn, three up
 Three down in the first
 I been goin' too hard, I slid pretty far
 Yeah, mama and Heaven both know
 I'm a man on a run with a hand on a gun
 I'm a father and a son who needs that holy ghost

[Final]

I'm a hard one to love, yeah, it runs in my blood
 I'm a father and a son who needs that holy ghost
