And to be your friend forever

Dm F Dm G Dm F Dm G  
Bengali Bengali Bengali Bengali

Oh shelve your western plans and understand  
that life is hard enough

Dm F Dm G  
A silver-studded rim that glistens

F G  
And an ankle-star that blinds me

F  
And a lemon sole so very high

G  
Which only reminds me to tell you

F C  
Break the news gently

F C  
Break the news to him gently

Bengali, Bengali  
It's the touchy march of time that binds you  
Don't blame me  
Don't hate me  
Just because I'm the one to tell you

That life is hard enough when you belong here  
That life is hard enough when you belong here  
Oh...

Shelve your Western plans  
Oh...

Shelve your Western plans  
'Cause life is hard enough when you belong  
Life is hard enough when you belong here  
Oh...

Shelve your Western plans  
Oh...

Shelve your best friends  
'Cause life is hard when you belong here
